Saracens, Templars,
Moorish...

Different **CULTURES** have shaped our environment and have given it a special character. Wander through one of the best preserved and largest narrow and winding Moorish streets in Catalonia, discover the legends of the hermitages...

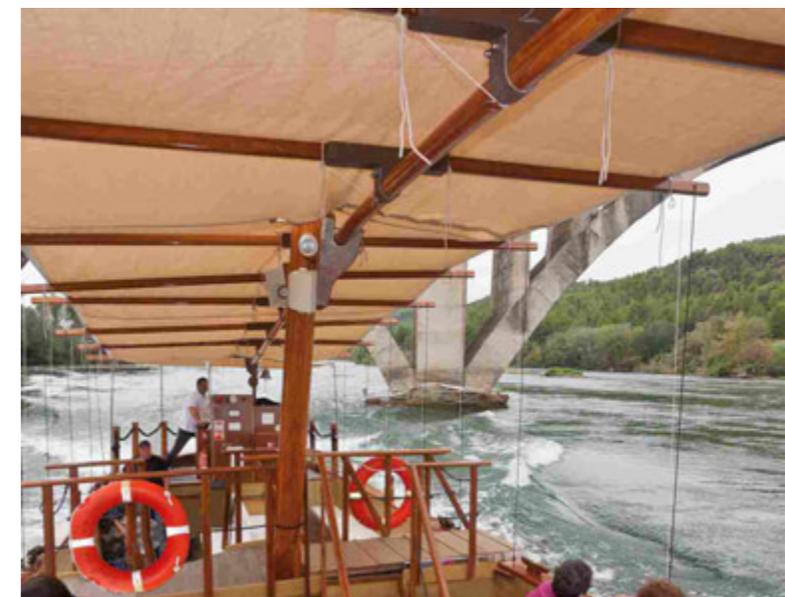

The castle, Els Reguers Bunker, the XV Corps camp of the Ebro Army... will show you the traces of our **RECENT AND ANCIENT HISTORY**, which have shaped us as a people and have made us who we are today.

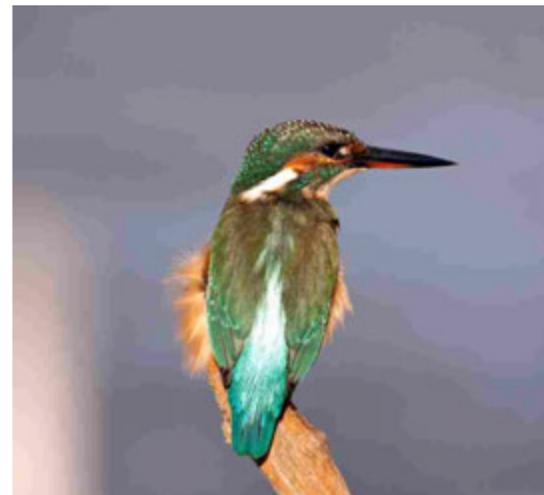

A walk along the riverside forest, a wine tasting, a sample of foods, a private party...
The sailboat **LO ROGET** is a magical space that allows you to comfortably enjoy the river with activities and nature.

The Ebro is what determines our character and gives us life. Discover the **FLORA AND FAUNA** that surrounds us, linked to a large river that is amazing to see in person.

Canoeing down the river or a quiet afternoon of fishing await you.

The GR-99 **CAMINO DE SIRGA, LA PUNTA DE L'ÀGUILA, ARTE EN PIEDRA, LES ILLES...** A network of trails for walking or cycling awaits you. Experience the vegetation contrast of pine forests and scrub with the riparian forest located along the trails that border the Ebro. Well signposted and for all ages.

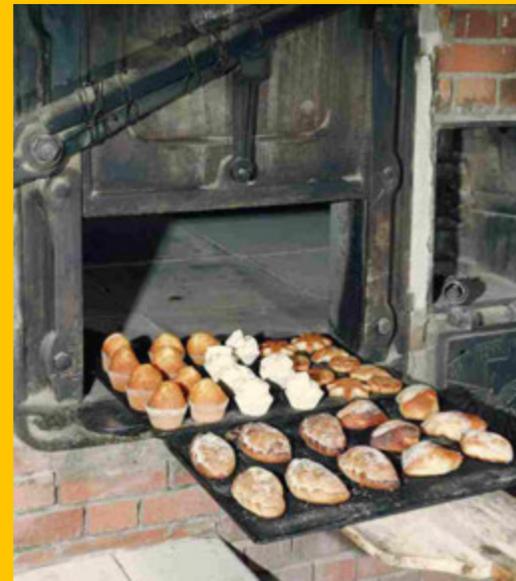

Few are the municipalities with such **ROOTED, ALIVE AND HEARTFELT TRADITIONS.** The Angelet Procession or the Sant Antoni Festival will allow you to experience special moments and feel the emotions come to the surface.

Ascó is a dynamic city with a range of activities throughout the year that will **WIN YOU OVER.** Come as a family, couple, with friends... and experience these festivals that are constantly evolving, offering different experiences.

To get to know a town you have to try the products that it offers. Wander through our shops, where you will taste quality products from the area, and enjoy the traditional dishes of our **CUISINE**.

On the banks of the Ebro, overlooking the cultivated land and easily accessible, you will find the **CARAVAN AREA**, with all the services at your disposal to make your stay as comfortable as possible.
